Cross country, under the sponsorship of athletic director G. P. Wertz, completed its second season of M. V. L. participation at Piqua Central.

The number of competitive meets was still somewhat limited due to the few high schools in this area having cross country teams. However, more schools are adding cross country to their athletic Program.

Jerry Hart placed high in the district meet at Springfield and qualified for the state meet in Columbus.

Scoring in cross country is different from most sports. The winning team is the team with the least number of points.

BAND OFFICERS and DIRECTOR

President, Pat McCoy *Secretary*, Lois Lyons *Treasurer*, Larry Motter *Vice President*, Christe Mengos

THEY did it again! The "Marching 74" under the direction of James C. Carter, came out on top by having another very successful marching season.

The shows this year consisted of snappy precision drills for which the band is noted. The members of the band start their preparation in August when they attend band camp, and continue daily practice throughout the marching season.

A selected group of band members formed a pep band which played at all home basketball games and for the pep meetings. This group of people added much to the school spirit at each of these activities.

The band officers were elected by the members of the "Marching 74" while in attendance at band camp. They are: President, Pat McCoy; Vice President, Christe Mengos; Secretary, Lois Lyons and Treasurer, Larry Motter.

The advisers were Dale Beckett and Jack Bickel.

The group sat in a reserved section at football and basketball games. During the basketball season, uniforms consisting of dark skirts, white blouses, and red ties were worn.

Projects of the year included selling carnations at the last home football game, a bake sale, and a Leap Year dance in February.

THE Acomodadores is a student group who serve as ushers for most of our school activities. Fifteen sophomores, selected on the basis of their scholarship during their freshman year, are chosen at the first of each school year. Five are appointed at the end of the first grading period, and additional members are selected at the end of the second grading period or as the school year progresses. This year they ushered at the choir concert, the band and orchestra concert, the one-act plays, baccalaureate, and commencement.

The most exciting event on the Acomodadores calendar was the Junior-Senior Prom at which they served.

Their special project for the year was to acquaint the student body with the rules of courtesy and etiquette used at public functions.

Members chosen after the picture was taken: Angelee Peffley, Kent Slaby, James Shepard, Jerry Boehringer.

THE National Honor Society is an organization of outstanding high school juniors and seniors. To be a member, a student must excel in these four fields: scholarship, leadership, character, and service. Competition for membership is keen as only fifteen per cent of any graduating class may be elected to the organization.

The emblem of the society is the keystone and the flaming torch. The keystone bears at its base the letters "S," "C," "L," and "S" denoting the four objectives.

The newly elected senior members received their formal initiation at an assembly held in January. In May the formal initiation for the junior members and the informal initiation for all members elected this year, was held at a combined banquet with Quill and Scroll.

THE Piqua Chapter of the Future Farmers of America, under the supervision of L. J. George, has completed another successful and active year.

The chapter, with an enrollment of 27 members, won many honors in F.F.A. activities. At the County Fair they showed the grand champion and reserve champion steers. Other awards won by the chapter at the County Fair were the farm shop and the farm crop trophies.

At the district parliamentary procedure contest, the chapter won a silver rating.

The chapter made many trips in their F.F.A. bus. They attended the National F.F.A. Convention at Kansas City, Missouri, the state F.F.A. Camp, the state F.F.A. Convention, and the Farm and Home Week at Columbus, Ohio. The chapter made field trips to inspect the projects of each member. The high spot of their summer vacation was a fishing trip to the Snow Islands near Cedarville, Michigan.

OFFICERS:

Clyde Shafer, Sentinel; Nelson Elifritz, Reporter; Jim Shannon, Secretary; Doug Hulme, Vice President; Eddie McMaken, President

The boys had two basketball teams which played games with boys from other F.F.A. chapters.

The most important program of the year was their parent and sons banquet, held February 22 at Washington Township School.

VOCATIONAL INDUSTRIAL CLUB

THE Vocational Industrial Club is a state-wide organization for students enrolled in the Trades and Industrial Educational course.

The purpose of the club is to provide opportunities for the development of leadership in civic, social, and industrial pursuits among the members.

OFFICERS:

Bob Brush, Treasurer; Jim Grissom, Secretary; Jan Bondurant, Sergeant-at-Arms; Jim Hillier, President; Jack Gabriel, Vice President

The Piqua Chapter has been a very active club during the past year. The group attended the state convention in Columbus where they participated in contests of extemporaneous speaking and job application. The group also entered a parliamentary procedure team. For the fourth consecutive year the club operated the concessions stand at the school basketball games. As a new feature it presented a 15 minute radio program at the local radio station.

Two other outstanding events of the year were the annual Student-Parent-Employer dinner and a trip to the Cincinnati Milling Machine Company.

JUNIOR CLASS OFFICERS

Row 1: Charles Popham, Vice President; Carolyn Allen, Secretary

Row 2: Todd Landman, Treasurer; Spencer Neth, President

AS the class of '57 completes the school year under the able leadership of Spencer Neth, president; Charles Popham, vice president; Carolyn Allen, secretary; and Todd Landman, treasurer, they recall the many worthwhile hours spent in making all of their projects successful.

The Junior class play, "Annie Get Your Gun," under the excellent direction of Robert Richardson, was their first major project. It was most entertaining and capably presented.

Several styles of class jewelry were chosen by a committee of juniors. The class then made their selection from these styles.

Committees were organized to make plans for the Junior-Senior Prom which was held in the spring. Each committee carried out its duties well. Both the junior hosts and seniors guests enjoyed an evening of fun and frolic.

Coach Dale Beckett

Dale Beckett, our well liked coach, finished his second year with a blaze of glory by winning the M.V.L. co-championship. This was the first co-championship won by the Indians in five years. There were several outstanding teams in the league this year which made it necessary for our boys to play superior basketball throughout the season.

RESERVE BASKETBALL

Coach Dick Pearson

THE reserves, under the coaching of Dick Pearson, completed one of the most successful seasons in recent years. Much valuable experience and training was gained by the present reserve squad for next year's varsity team. They won 11 games and lost 6.

300 CLUB

THE 300 Club, under the direction of Hulda Heller, consists of girls who have earned 300 points or more from participating in team and individual sports. Team sports are alley soccer, volleyball, basketball, and badminton. Individual sports consist of bowling, skating, bicycle riding, hiking, and horseback riding.

Each member receives a club emblem and those having 500 points or more receive a letter. A charm is the highest award which can be obtained by a member. Money earned from "Sports Night" and the sale of pencils goes towards purchasing the awards.

SPORTS Night is an annual event held at Roosevelt Fieldhouse. This event was organized by the 300 Club to obtain money for purchasing their awards.

The group plays volleyball and basketball as the major attraction. Eligible members receive their awards during the intermission. This year two girls earned enough points to become eligible for a charm which is the highest award.

Interscholastic volleyball is a fall activity played with other schools in the Miami Valley such as Sidney, Troy, West Milton, Tipp City, and Greenville. It is not a class activity since the girls practice and play after school. A teacher from one school and a girl from the opposing team act as referees. The varsity team usually consists of seniors and the reserve team of juniors and sophomores. A captain is elected for each game played.

The class leaders are nominated and elected from each gym class. Their duties consist of checking attendance, helping to organize the class, helping with the equipment, and taking over if Miss Heller is unable to be present.

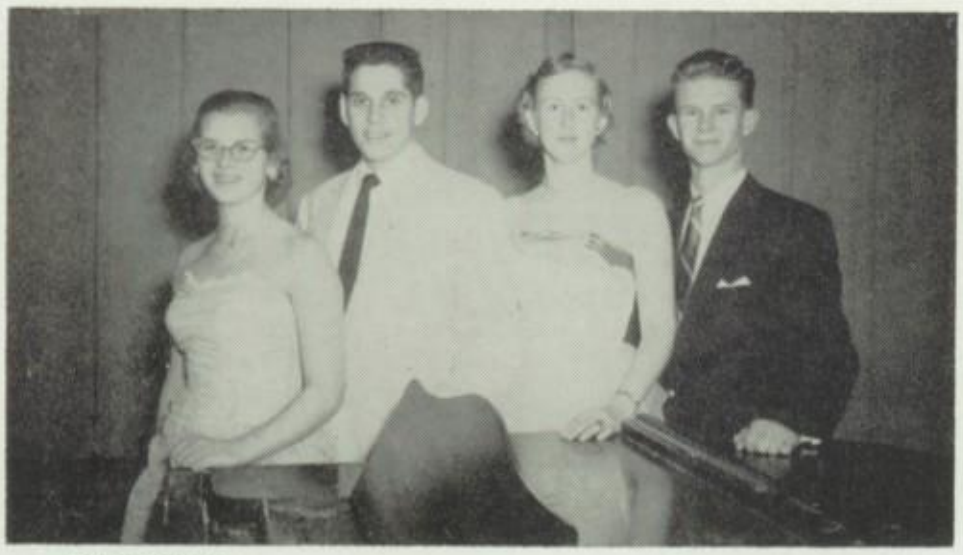
CENTRAL'S mixed choir I, under the direction of James Reeder, had a very busy year. One of the first projects was the making of a tape recording of "The Lord's Prayer" for use at WPTW. In January, sixty members of the choir journeyed to Dayton to appear on the Treaty City television program.

The annual concert was given on February 16 and a Pop Concert consisting of popular and semi-classical music was presented on April 27 instead of the usual operetta.



OFFICERS:

Lois Lyons, Vice President; Darrell Neves, President; Melinda Hilbert, Secretary; Jerry Johnson, Treasurer

Programs were also given at service clubs, both juniors highs, and at the high school. The last appearance for the year was made at the Baccalaureate service.

The student conductors were Norma Jean Gustin and John Hoerner. Margaret McFarland was accompanist.

CHOIR TWO

MR. Reeder, our vocal director, tried something new at Piqua Central this year. Due to the fact that he found so many students interested in becoming members of our Piqua High School Choir, it was necessary to create a second choir.

This group consists of twenty-five members, and is accompanied by Joyce Beaver. They meet daily for forty-five minutes each sixth period. The students in this choir are mostly tenth grade people, and most of their work is in preparation for Choir I. This added training certainly will mean a great deal to these students when they proceed to the more advanced choir. Also, this added training should have a tendency for producing an improvement in Choir I.

This organization, consisting of senior members of the choir, is accompanied by Lyn Hilbert. This group had no regular practice period, but their practices took place at times when other music organizations weren't using the music room.

ATTENDANCE ASSISTANTS

THIS organization is the Missing Persons Bureau of Piqua Central. Their aim is to know where everyone is during every period of the school day. Miss Ella Farley is the faculty advisor.

These girls collect the absentee slips from each room, record the absentees, and investigate any irregularities which might occur. They volunteer to do this during one study-hall period of each day. The attendance assistants do an efficient job and Piqua Central is indebted to them.

HISTORY OF PIQUA CENTRAL HIGH SCHOOL

PIQUA, OHIO, has had three public high schools within its city limits since the 1800's.

Construction of Piqua's first high school began in 1854 on land secured from Matthew Caldwell. The building was completed in 1856. It was located on the same site as that occupied by the present high school—at the intersection of High and College Streets, in the central part of the city. It was a three-story structure, housing the sixth through the twelfth grade. A museum, office, and auditorium were also important parts of this building.

A. G. Chambers was Piqua's first high school principal and superintendent.

The second high school was built in 1884, on the same location, while C. W. Bennett was superintendent. Like the first-building, this was also a three-story structure.

Along with recitation rooms, this building contained a study hall, domestic science room, auditorium, museum, manual training room, and the superintendent's office.

The present high school building was erected on the same premises in 1914, under the administration of George C. Dietrich.

Constructed of light-colored yellow brick, it is also a three-story structure containing an auditorium, a gymnasium, and a cafeteria, along with recitation rooms.

A major remodeling project took place in 1938. On the third floor there were locker wells on the north side of the main corridor. These wells were removed and the corridor was placed in their stead. This provided space to add a library on the north side of the study hall. Previously the library was located in the superintendent's office.

The biology, physics, and chemistry laboratories were remodeled at this time. All three classrooms had been previously provided with risers. These were removed. The principal's office was moved from the third floor to the second floor and the space provided was made into a physics stock room. Also the chemistry stockroom was moved to a new location.

The commercial department, which was located in the northeast corner of the building on the second floor, was moved to what was formerly the lower study hall on the same floor. The old department was converted into regular classrooms.

With the development of industry in Piqua, it became apparent that expansion of the high school would be necessary. In 1949, under the administration of C. M. Sims, a Trades and Industry department was added at the rear of the high school. A new music room was also included in this expansion.

In the spring of 1955, construction was begun once again and new physics and chemistry laboratories were built above the Trades and Industry department. The music department was also expanded in this project.

At this same time, new lightning was placed in all the rooms of the building.

This newest addition was completed under Superintendent, W. F. Hoerner.

Throughout these years several Alma Maters have been written, but the one that has captured the hearts of the public is the one written by Phil Gates in 1934. It was introduced as a school song by the band at the Fairmont-Piqua football game of 1934 at Fairmont. The response was such that it was introduced as a vocal number to the high school choir the following week.

Alumni and students will always remember the times they played and sang---Dear Alma Mater.

Dear Alma Mater, Piqua High,
Our hearts all turn to thee.
Thou inspiration of our lives
Through all the time to be.
The many lessons learned from you
Will guide our footsteps right;
May all thy days be filled with praise,
And all thy ways be bright.

AS WE, the class of 1956, exit from the doors of Piqua Central, we recall many memories of the past four years. May we never forget the valuable experiences that we have gained through the aid of our teachers and friends.

Having received excellent training from our Alma Mater, we must now face our future with determination, in order to fulfill our place in this busy world.

We leave P.H.S. with a look of sadness, but as we face a prosperous future, a smile returns.

CREDO FOR A SENIOR

I believe in the Future

I believe, therefore, in the Today

I try to find the beautiful in life, and where it is not, to create Beauty.

I believe in the search for truth, and I dedicate myself to this search.

I believe in laughter.

I believe in homes and schools and churches.

I believe that Work is Love made visible.

I proudly accept my responsibility as a citizen of a great nation,

And as a member of a great world.

I know that I am.

I know that I hold within me the promise of the Future.

I realize my responsibility;

I am not afraid.

I have learned my first lessons and I face the Future joyously.

Due to lack of interest and experience, Central's tennis team under the guidance of Coach John Bickel, suffered one of its worst seasons in the school's history. The seniors who played on this years team are Jerry McGonagle, Tom Malone, and Allen Rundle.

GOLF

The golf squad under the supervision of Coach Bob Wysong enjoyed a fine season this past year. With Bill Thyer as the only senior, the team will have even greater things to look forward to in the coming years. The MVL league meet was played at the Piqua Country Club.

THE concert band of 1956, under the direction of James Carter, assisted by student conductor Richard Swarts, presented a very delightful spring concert.

Sections of the band rehearsed each Monday and the entire band rehearsed three times each week. This experience proved very helpful in the success of all the events which were presented.

At the district contest, the band received a number I rating which is superior. On April 28, the organization attended the state contest at Otterbein College in Westerville, where they received a number III rating, which is considered good.

UNDER the able direction of Fred Roberts, the orchestra presented many outstanding programs this year. The group performed at the annual concert, the Junior and Senior class plays, and for events held during Commencement week.

The orchestra entered the district contest held at Piqua High School. A superior rating was received for this performance. The organization attended the state contest at Westerville, where it also received the highest possible rating. The plaque received for this performance is now displayed in the trophy case.

This fine musical training has been a worthwhile experience to all who participated in the organization.

QUILL and SCROLL

QUILL and Scroll is an international honorary society for high school journalists. Piqua High School Journalists work diligently to obtain membership in this organization.

A candidate must be a junior or senior in the upper third of his class. He must also earn a minimum of three hundred points through material published in the Piquonian Magazine, the annual, or the school paper.

Quill and Scroll joined with the National Honor Society for their annual induction banquet which was held in the month of May.

STUDENT COUNCIL

Row 2: Joyce Weaver, Betty Ciriegio, Missy Lloyd, Sylvia Lavey, Allen Rundle, Jack Prater, Buddy Nill, Joe Bissett.
Row 3: Jay Dee Kaufman, George Chalou, Bob Lee, Todd Landman, Bob Winter, Dave Robinson, Preston Fischer
Row 4: Tom Ferguson, Marvin Curtis, Alan Balliet, Advisor William Alexander

THIS year the Student council is composed of one delegate and one alternate from each fifth period class.

During the school year, the council has tried to bring about more school spirit. The most significant jobs were the sponsoring of Class Night, the All-School Party, and a Student Talent Assembly.

Other events accomplished by the council were planning Dads' Night for the football fathers; buying and decorating the Christmas tree in the lobby; putting signs in the study hall to remind the students to help keep our school clean; and helping with the Piquonian election and with each school assembly.

The council was under the leadership of Mr. William Alexander, faculty advisor.

THE Dramatics Club, in its second year of operation, was under the direction of Robert S. Richardson. On May 18, the club produced "Triple Treat" which consisted of three one-act plays entitled "Submerged," "Search Me," and "Murder is Fun." The proceeds from the "Triple Treat" are used for new scenery, and other badly needed stage equipment.

The club includes various sophomores, juniors, and seniors who were in one or more of the plays put on at Central throughout the year, or who helped with the various plays in some way. In future years, the club plans to put on more one-act plays throughout the school year.

At a potluck organization meeting held in the early fall, officers were elected.

Many interesting programs were presented at the various meetings held throughout the year, which consisted of French skits, songs, and reports. A special program was presented when A. J. Kaiser showed his pictures of Paris and other parts of France to the club members and their guests.

The year was concluded with the annual picnic honoring the senior club members.
